

Book Sale Rules

The goal of the Friends of the Monrovia Public Library is to have a successful book sale that is enjoyable for everyone. The following policy will be in place at all of our Book sales.

- Leave food, beverages, pets, roller blades, bicycles, skateboards, backpacks, suitcases, large bags and shopping carts outside. Strollers are allowed if accompanied by small children.
- Supervise your children.
- No electronic devices for scanning purposes.
- No sorting or stockpiling on the floor. *Violators will be asked to leave.*
- Do not sit on the floor – someone may trip on you.
- Pay by cash or check only. Paying by check? The person whose name is on the check must show a photo ID when paying. We do not accept starter checks.
- Remove book from the sale area once they have been paid for. You may re-enter the sale to make additional purchases; however, if there is a line to enter, you must get at the end. This makes it fair to those customers and members who have been waiting to get into the sale.

We have these rules for everyone's safety, to be fair to all our customers and members, and to keep Friends in compliance with fire code regulations. Thank you for your cooperation.
